

Slovensko genetsko društvo in Slovensko društvo za humano genetiko objavljata tekmovanje za **Zlati kromosom 2018** za mlajše raziskovalce s področja genetike, ki bo potekalo na kongresu *Genetika 2018* v Radencih, od 19. do 21. septembra 2018.

Sodelujejo lahko mlajši raziskovalci, stari do 35 let. Prijavijo se lahko tudi tisti, ki so že doktorirali in so zagovorjali doktorat po 30. maju 2017. Pogoj je tudi, da je moralo biti eksperimentalno delo opravljeno pretežno v Sloveniji.

Pri izboru nagrajenca bodo upoštevani naslednji kriteriji:

- aktualnost teme za področje genetike,
- kakovost znanstveno-raziskovalnega dela in
- kakovost predstavitve dela v obliki 10-minutnega predavanja.

Kandidati naj ob prijavi na e-naslov [genetika2018@alfa-faktor.si](mailto:genetika2018@alfa-faktor.si) oddajo kratek življenjepis in bibliografski izpis (iz zbirke COBISS).

V primeru večjega števila prijav bo narejen pred-izbor kandidatov, ki ga bo opravila Komisija SGD za podelitev Zlatega kromosoma.

The Genetics Society of Slovenia and the Slovenian Society for Human Genetics announce the **Golden Chromosome 2018** competition for young researchers from the field of genetics, which will take place at the *Genetika 2018* congress in Radenci, Slovenia, from 19<sup>th</sup> to 21<sup>st</sup> September, 2018.

The competition is open for researchers under the age of 35. Researchers who have already defended their PhD thesis can participate if the defense took place after 30<sup>th</sup> May 2017. Additional condition is that their research work has been mainly done in Slovenia.

The following criteria will be taken into account when selecting the winner:

- importance of the research topic for the field of genetics,
- quality of the scientific and research work of the contestant, and
- quality of the 10-minute presentation at the congress.

The applicants should send their short CV and list of bibliography (from the COBISS collection) to the e-mail address [genetika2018@alfa-faktor.si](mailto:genetika2018@alfa-faktor.si).

In case of a high number of applicants, pre-selection will be performed by the Golden Chromosome Committee of the Genetics Society of Slovenia.
